Upcoming 2015 Tampa FES Meetings
11/10 Legislative Forum
Dear FES Tampa Chapter Members,

I invite you to attend this year’s Legislative Forum this November, 10th at 11:00 am. It will be held at Brio Tuscan Grille at International Plaza. Allen Douglas, FES Executive Director will be in attendance to introduce Florida Legislators from the Tampa Bay area. The cost of registration is $30 Professional Members and Guests - $45 walkups & late registrants, $10 for Student Members - $25 walkups & late registrants. Lunch includes salad, rolls and a plated lunch; you can select from the following entrées: Mezza Chicken, Mezza Lasagna Bolognese or Pasta alla Vodka (Vegetarian option).

If you are interested in hearing from your State Representatives about their legislative priorities and important issues that affect our profession, and enjoy networking with your professional peers, please register for the event online. Walk-ups are welcome but seating is limited. Walk-ups can’t be guaranteed a seat or lunch so please register with a credit card online or reserve by email with your lunch selection to sheida.tirado@wantmangroup.com before the event. Payment at the door can only be cash or check.

I am a firm believer that engaging in face-to-face exchanges with your peers at events such as this helps strengthen professional connections and enables establishing new ones. I encourage you to join us for this special event.

Best Wishes,

Mike Simmons
Tampa Chapter President

Florida Engineers Political Action Committee—
ADVOCACY gives us a seat at the table... FEPAC gives us a voice.

In recent years, FEPAC has supported candidates that have made a difference to the engineering profession. Through our political efforts and local input, we contributed to candidates who were major players and yes were elected.

By contributing to FEPAC, you raise the level of awareness of professional engineers in the political process. Additionally, you can help elect lawmakers who are supportive of your political agenda, and most importantly, understand the nature of your profession.

Please consider contributing to FEPAC on your dues statement. The FES Board of Directors strongly encourages membership in this organization, which is vital to the profession. Voluntary FEPAC contributions paid personally are not to be reimbursed by your employer.

To send a separate contribution, please click here to contribute online.

The FES Journal

Going green. Please opt in to receive your copy of the Journal electronically by contacting Mitch Weaver at mweaver@fleng.org. You can access your Journal by clicking here. Once there, log in with your customer number and password.

Volunteering and Mentoring

We are seeking committee co-chairs and committee members for every committee in order to add depth to the organization. We are also seeking volunteers to help out at upcoming events sponsored by the Chapter. Please consider giving back to the Chapter with a commitment of your time and contact any of the Executive Committee for additional information. Thankfully our membership is growing and we need more members that can help provide member services through our Committees and by volunteering at events. For more information please contact any of our Board Members.
